

Club Safeguarding Statement

UKCKMA is committed to ensuring the safety, welfare, and well-being of all participants, particularly children, young people, and adults at risk. We believe that safeguarding is everyone's responsibility and that all members, staff, volunteers, and parents have a role to play in creating a safe and inclusive environment.

- Providing safeguarding training to all relevant staff and volunteers.
- Implementing clear policies for child protection, anti-bullying, and appropriate behaviour.
- Encouraging a culture where concerns can be raised and addressed promptly.
